Single page version. Flip-page version available at <http://per.thulin.name/jane>

ABOUT THIS CALENDAR

The photos included in Jane's Hamster Calendar are mainly contributions from participants in the alt.pets.hamsters usenet newsgroup. It is primarily designed to print nicely on an A4 or US letter size inkjet or other colour printer (although this year's edition can also be printed on A3 size paper with fairly good results).

The typeface used for headings is *Pompeii Capitals*, and the typeface used for the hamster names is *Annifont*.
